Special Session:

"Nature Inspired Optimization -- Foundations and Applications"

The Twenty-fourth International Conference on Industrial, Engineering and Other Applications of Applied Intelligent Systems (IEA/AIE 2011)

June 28 - July 1, 2011 Syracuse, New York, USA

(<http://www.lcs.syr.edu/iea-aie2011>)

Send your submissions directly to Dr. Don Potter, Session Chair, at potter@uga.edu following the instructions for authors (except sent to me) at the conference web site. Important dates are:

Paper Submissions - November 12, 2010

Reviews - January 14, 2011

Final Papers Due (to me) - February 7, 2011

Authors are invited to electronically submit their paper, written in English, of up to 10 single spaced pages, presenting the results of original research or innovative practical applications relevant to the conference with special emphasis on Nature Inspired Applications/Foundations. Practical experiences with state-of-the-art AI methodologies are also acceptable when they reflect lessons of unique value to the conference attendees. Shorter works, up to 6 pages, to be presented in 10 minutes, may be submitted as SHORT PAPERS representing work in progress or suggesting possible research directions. All paper submissions will be done electronically, as indicated in the conference web site. All papers will be peer reviewed and final copies of papers for inclusion in the conference proceedings will be published in a bound volume by Springer-Verlag (the format is shown at <http://www.springer.de/comp/lncs/authors.html>) in their 'Lecture Notes in Artificial Intelligence' series. Referees will be asked to nominate papers for a Best Paper award to be announced at the conference. All papers, but particularly those nominated for the Best Paper competition, will be automatically considered for publication in an expanded form in the special issue of the International Journal of Applied Intelligence.
